

## NOTES ON MEETING IN CHICAGO

APRIL 13

Conferred with executive council and was informed of problems which have retarded CORE's activity in Chicago. The caucus lasted for seven hours. The formulation of a systems that could control funds and at the same time eliminate inter-group conflicts absorbed the time. Ten person were persented.

APRIL 15

Westside unit, twenty persons attended meeting. The topic for the evening was Chicago Board of Education, the West side is trying to arrest the use of trailers as classroom. The trailer would avert the intergration of the schools. Enclosed is fly sheet that is being used in campaign against school board.

Westside unit has good leadership, it is one of the better unit and should maintain status for sometime.

APRIL 16

University of Chicago, new officers were elected. Bernie Sander were voted chairman and Vice-chairman respectively. There were twenty-five members at meeting The group is still protesting the University housing policy also they are investigating the hospital for discriminatory practices.

Group needs community contacts, however, when this contact is establish, it will become a effective weapon in struggle.

APRIL 17

Southside unit is in a deplorable condition. This is due to lack of membership and an effective program. They should emerge from this state soon. The workshop should solve their major problem.

APRIL 18

Spoke with Dean Gandy, his church is located on Southside, therefore, he would be very helpful to Southside unit.
